## How does BCOP allocate available properties?

As a social landlord, we prioritise applications from people in the greatest need.

The application form asks about your medical, social and housing circumstances. This information will help us check if you are eligible for a BCOP home. We then use the criteria below to prioritise applications.

You will be awarded points if you can demonstrate need according to the following criteria:

### Criteria

#### Housing

Homelessness - up to 300 points.

Lack of exclusive use of amenities - up to 115 points.

Moving from institutional care or releasing special needs accommodation - 100 points.

Disrepair of current housing - 40 points.

Lack of alternative housing prospects - 15 points.

Under-occupation (for each bedroom under-occupied) - 10 points.

#### Medical

Medical need - up to 240 points.

Difficulty climbing stairs - 50 points.

#### Social

Subject to sexual or racial harassment - up to 100 points.

Social need - up to 90 points.

Financial need - up to 40 points.

**Time points** (awarded for each year on the waiting list) - 5 points.

## Giving you peace of mind

Tenants are offered an initial 12 month Starter Tenancy Agreement and then transferred onto a full Assured Tenancy providing all is well.

This helps you to get used to living in your home and to decide if you would like a long-term tenancy with us.

## Can I choose where I want to live?

Although we can't guarantee to give you your first choice of housing, we will do our best to meet your preferences, according to suitability and availability.

Read carefully through the list of housing options in this brochure and decide which ones meet your requirements. You will need to think about any mobility issues you have, the area you want to live in and whether you need an on-site manager (Supported Housing) or if you can live independently. All of our properties benefit from a 24 hour alarm call system to provide peace of mind and help in an emergency. Please ask us if you are unsure whether a property would be suitable for you.

### How do I arrange a viewing?

You can arrange viewings by appointment with the Scheme Manager at any of the Supported Housing schemes. We are unable to arrange viewings at the Independent Schemes unless there is a vacant property available.

You must state on your application form which schemes you would like to be considered for.

## How will I know if my application is successful?

We aim to respond to all applications within 5 working days.

If your application is successful, we will write to confirm that you have been added to our waiting list. When a property becomes available, we invite a number of applicants from the top of the waiting list to view the property.

If the property is suitable and it is offered to you, we will invite you to attend a Tenancy Interview.

If your application is unsuccessful, we will notify you and can help you understand why by showing you how your application was scored.

## What happens at the Tenancy Interview?

We will carry out a Right to Rent check and a financial assessment. For us to do this, you will need to bring to the interview:

- ID such as a passport, driving licence or birth certificate
- proof of income
- other documents required for a financial assessment e.g. Housing Benefit claim.

We will ask your permission to contact your current landlord for a reference.

Please note that offers are made subject to a satisfactory reference and checks.

If all checks are completed satisfactorily, you will then be asked to sign a Tenancy Agreement. This sets out the rent and service charge for the property and the terms and conditions of the tenancy. It is regulated by a government appointed organisation.

If all the checks and assessments are satisfactory, we will agree a moving in date with you, to coincide with the notice period from your current landlord, if applicable.

## What if I am not happy about the decision BCOP makes about offering me a home?

If you believe you qualify for extra points you can explain to us the reasons why and we may be able to reconsider your application.

We aim to provide the best possible service and put the needs of our clients first.

However, if you think you have been treated unfairly or wish to make a complaint about any aspect of our service, we would encourage you to discuss it with our Housing and Charitable Services Manager in the first instance. If you are still dissatisfied, we would ask you to put your complaint in writing to our Chief Executive who will try and resolve the complaint or inform you of the next steps you can take in accordance with our Complaints Policy.

## Where else can I look for housing?

When you apply to us, we also encourage you to apply to other providers of social housing to increase your chances of being offered accommodation to suit your needs. A list of other social housing providers in Birmingham is included in this pack.
